Experience

An excellent partnership with a **premium relationship & customisable service**

The perfect opportunity to **come together, share expertise & benefit from EDHEC's network**

A **unique access to our talent pool & a close contact with our students**

As part of the International Business Club it's great to be able to engage with EDHEC students year-round and meet future talent. The partnership allows us to host and attend various events in Nice, Paris, and London, and EDHEC has allowed us to test new event formats to fit Citi's needs.

**Eleanor Dall**

Working with the EDHEC team as part of the International Business Club has been effective in promoting Moody's culture and opportunities for students and recent graduates. We've also gained access to top talent through the activities associated with our membership.

**Brett Hemmerling**  
Global Head of Early Careers & Programs Talent Attraction  
**Moody's**

Working with EDHEC as a partner gives us a brilliant opportunity to engage personally and closely with high quality talent relevant for our Early Careers programmes on a global scale. EDHEC have supported delivery of events both on campus and visiting our company offices, providing the chance for students to see our company first-hand and with tangible experiences.
