EDHEC COMMITTED TO

Diversity

OBJECTIVE

Attract a greater diversity of talent and train the future managers of diversity.

Making it a core and lasting priority across all campuses, EDHEC is committed to diversity and inclusion through concrete and key actions: dedicated programmes supporting scholarships, support programmes, and active awareness.

Key actions

“EDHEC Talents”

EDHEC’s flagship equal opportunity programme supporting scholarship students in high school & preparatory classes.

Handicap engagement

EDHEC supports diversity & disability inclusion year-round, with Handi Day as its key event uniting students, associations, and companies.

Pedagogical challenges

To promote awareness of inclusion, the EDHEC Diversity & Inclusion Chair is hosting a collaborative challenge in Lille to co-create innovative solutions for more inclusive workplaces.

Sustainability

OBJECTIVE

To train future employees who are committed and aware of environmental issues.

We prepare responsible leaders ready to drive sustainable change by integrating ecological transition and CSR into our teaching, research, and innovative learning methods.

Key actions

Training courses geared towards major transitions

- MSc in Climate Change & Sustainable Finance with Mines Paris – PSL
- MSc Global & Sustainable Business

Committed educational projects

- Global Impact Projects: opportunity for international experience in an NGO or an association
- Sustainable Impact Projects in BBA: one-year collaborative work to respond to various economic and societal issues

A responsibility for the environment and society

EDHEC is a signatory member of the Principles for Responsible Management Education (PRME) of the United Nations Global Compact..
