# BUILDING AN AMBITIOUS AND OPTIMISTIC FUTURE TOGETHER

Future generations are you, and then those who will follow you and others after them. Those you will inspire, those you will show the way to. At EDHEC, we want to help you blaze these trails. We want the excellence of our programmes, our support and our contacts to be the raw material for the positive changes to which you can contribute.

## BUSINESS IS CHANGING, LET'S CHANGE BUSINESS

When everything is turned upside down, anything is possible, and our challenge is to give you the keys to change: for a more sustainable, more responsible business, focused on the major challenges facing society and the planet, for a career that reflects your aspirations and ambitions.

## TRANSFORMING THE WAY WE LIVE TOGETHER

In addition to our programmes, the entire EDHEC community is committed to opening up new horizons for you in a caring and enthusiastic way. Firstly, thanks to our campuses, which are conducive to living together. Then, thanks to the professors who work with you every day to help you understand how the world is changing. And finally, thanks to the rich interaction and quality of our lively and vibrant student and alumni communities, crossroads for encounters and sharing.

### **So, are we going to transform this future?**

*"Our ambition is to train talented people who want to transform the world of business to put it at the service of future generations: the blending of knowledge and the desire to make an impact will be major assets in training all-round managers, capable of solving society's major problems."*

**Emmanuel Métais**  
Dean of EDHEC  
Business School

# DIVERSE AS THE WORLD, INDIVIDUAL AS YOU

## AN INTENSE AND INTERNATIONAL EXPERIENCE

The EDHEC Global MBA is an intensive programme that offers a highly personalised and international experience in under one year. We are proud that rankings consistently reflect our positive commitment to innovation and diversity across cohorts, faculty and curriculum. The learning environment is shaped by global perspectives and informed by the tools, data and ideas driving modern leadership, including the growing influence of AI in business thinking.

## A HIGHLY PERSONALISED PROGRAMME

Shape your experience to match your career ambitions by selecting from electives, a one-month specialisation track with learning expedition, and an 8-week tailored MBA project. You may also extend your EDHEC journey through internships or an academic exchange. The curriculum provides the structure to explore advanced business themes and emerging strategies, including the evolving role of data and intelligent systems in decision-making.

## A PROGRAMME FOCUSED ON YOUR FUTURE

The Lead360 personal and career development programme consolidates and builds upon the leadership and strategic vision you need for success. It prepares you to lead with clarity and purpose in a professional environment shaped by continuous innovation and constant change.

*"Leaders must develop the vision and skills necessary to lead their organisations to success. Our goal is always to bring out well-rounded, value-driven, inspirational and reflective leaders who make a positive difference to the business world."*

**Sandra Richez**

# OPEN UP A WORLD OF NEW OPPORTUNITIES

## A unique, diverse and international cohort

With diversity as a catalyst for learning, each Global MBA class is carefully composed to reflect a broad mix of nationalities, industries and professional outlooks. Over 10 months, you will collaborate with peers from across sectors, developing wisdom through shared experience, as exposure to new ways of thinking and unfamiliar approaches strengthens your ability to question assumptions, test ideas and develop innovative solutions in real time.

# AN EXTRAORDINARY EXPERIENCE DESERVES AN **EXCEPTIONAL SETTING**

The setting matters. EDHEC's Nice campus offers a contemporary academic environment framed by rooftop views of the Mediterranean and a pace of life that encourages both focus and reflection. Just minutes from the airport and the heart of the city, it combines convenience with a certain coastal calm.

## **A MEDITERRANEAN CROSSROADS**

With 300 days of sunshine per year, the climate in the south of France is ideal to enjoy the stunning location. Between the mountains and the sea, Nice offers numerous sports and tourist attractions on sand, sea and snow, a rich cultural life with more than 500 events each year, and a diverse international community.

Nice is a UNESCO World Heritage Site and combines the strengths of a world-class technology park (Sophia Antipolis) with the legendary culture, history and charm of the French Riviera and the proximity of Italy and the famous principality of Monaco.

## **AN URBAN CAMPUS WITH A SEAFRONT SETTING**

EDHEC's campus in Nice is located on the Promenade des Anglais and offers an academic environment that is unique in the world.

- **4 areas dedicated to sports, arts and student clubs**
- **20 lecture halls** including a main 350-seat amphitheatre
- **5 IT rooms, a language laboratory, a trading room, an e-learning space**
- **a 100m<sup>2</sup> business incubator**
- **3 restaurants**

RESEARCH

EDHEC FOR BUSINESS

As a driver of change for future generations, EDHEC strives to transmit knowledge that is useful — for students, for business partners, for communities — and that has the capacity to transform our society.

RESEARCH WITH IMPACT

EDHEC’s mission is to transform society through the education of future generations of leaders and innovators. The school devotes more than 20% of financial resources to research, a reflection on the central role research plays in the school’s business model. EDHEC’s students and business partners benefit from the contributions made by the school’s research centres and the guidance they provide in terms of domestic and international decision-making.

*“It’s our responsibility to ensure EDHEC’s research resonates not only with the students in our academic programmes, but also with society. It’s vital to be rooted in the real world, to use our knowledge to assist with future transformations, and to work relentlessly for change.”*

**Michael Antioco, PhD**  
Dean of Faculty and Research,  
EDHEC Business School

Research & areas of expertise

**Augmented Law**  
The EDHEC Augmented Law Institute provides cutting-edge research on the law and legal professions transformation, alongside hybrid training programmes, and a proprietary Legal Talent Management platform.

**Criminal Risks Management**  
The EDHEC Criminal Risks Management chair conducts immersive research into the impact of criminal organisation activity on businesses.

**Diversity & Inclusion**  
The Open-Leadership for Diversity and Inclusion chair is dedicated to improving diversity and inclusion in organisations.

**Family Business**  
The EDHEC Family Business research centre offers an holistic approach to family business.

**Foresight, Innovation & Transformation**  
The EDHEC Chair for Foresight, Innovation and Transformation, focuses on the development of companies’ ability to embrace uncertainty.

**Infrastructure Investment**  
The EDHEC-Infrastructure Investment generates unique index data and analytics to measure the risk-adjusted performance of unlisted infrastructure investments, and benchmarks for infrastructure investors.

**Leadership Development**  
The EDHEC Leadership Development chair offers interactive learning methods to enable managers to develop responsible leadership skills.

**Management in Innovative Health**  
Launched in 2022, the Management in Innovative Health chair is a joint research chair with EDHEC and Bristol Myers Squibb to better understand the consequences of the digital revolution on the healthcare ecosystem and to advance e-health for the benefit of patients.

**New Generations**  
The EDHEC New GenTalent Centre studies generations Y and Z at work and acts as a laboratory for creating ties between recent graduates and companies.

**Sustainable Finance**  
The EDHEC-Risk Institute is a leading global academic think-tank in the field of investment solutions (pension crisis, ESG). This area of expertise is also covered by the EDHEC-Scientific Beta “Advanced factor and ESG investing” research chair.

The EDHEC Business School Association and its Foundation announce the signature of an agreement for the sale of a 93% interest in Scientific Beta to Singapore Exchange Ltd. The sale vindicates EDHEC’s research-funding model and provides a lasting guarantee of the School’s financial independence.

# TAKE THE NEXT STEP
