

FRENCH HEALTH INSURANCE

◆ AMELI-ETRANGER REGISTRATION

WHAT?

French health insurance, **free of charge**.
Covers up to 70% of the medical expenses in France.

WHO SHOULD REGISTER?

Mandatory for **non-European students**.
Available for European students who cannot get the European Health Insurance Card.

WHEN?

Start the registration once you have:

- an address in France,
- your visa
- your school enrolment letter (available on My Edhec).

Do not wait to have your French bank account to start this process.

Do it as soon as possible as **it takes time to receive the social security number**.
The coverage will start the day of the online registration.

HOW?

1. Register on [Ameli-etranger](#)
To be covered, you need to **upload at least the first 3 documents**.
Missing documents can be uploaded later.
2. Within few weeks: you get a **provisional social security number**. This number is enough to claim the reimbursement for your medical expenses.
3. Within few months: you receive the **permanent social security number** only if you have uploaded the 6 documents and they got accepted by the office.
4. Closure of your file on Ameli-etranger. You will then depend on the general system and be linked to the **CPAM** (social security office) of your place of residence. You receive by post a **letter to apply for the “carte vitale”** (green insurance card). You fill it in and send it back.
5. You receive the **“carte vitale”**, and create an **account on [Ameli.fr](#)**

MEMO FOR INTERNATIONAL STUDENTS

As soon as you get to France and have registered at your institute of higher education, follow the steps below to get coverage for your health care expenses for the duration of your studies:

THE ETUDIANT-ETRANGER.AMELI.FR WEBSITE

To get French health insurance coverage, all new international students need to sign up online on: etudiant-etranger.ameli.fr

This dedicated website - available in French, English, and Spanish - and accessible through language assistance in Mandarin and Arabic - has been set up for international students to communicate directly with the French health insurance system.
