The International Students Office offers an Orientation session which includes social activities and informational meetings. (Residence permit, medical coverage/care in France, academic information, etc.).

---

## WHAT TEACHING METHODS ARE USED?

Tutorials, lectures, workshops, seminars. Please consult the courses syllabus.

---

## WHAT IS THE REGULAR WORKLOAD?

30 ECTS is the regular (and maximum) workload per semester for EDHEC students. We have no rules for visiting students concerning the number of courses or credits that must be taken. The home university decides what the requirements are for their students (unless it is a Double Degree seeking student in which case students have to take all courses in their study programme, according to the Double Degree exchange agreement). However, we strongly recommend a workload of 30 ECTS for Exchange students.

## CAN I CHANGE MY COURSE CHOICE AFTER THE BEGINNING OF CLASSES?

Once the Learning Agreement is signed and approved by your home institution, changes to your course choice are not allowed. We strongly advise students to carefully review the syllabus of each course before choosing it, and to consult with their home university coordinator before confirming and submitting their course choices.

---

## IS CLASS ATTENDANCE MANDATORY?

Yes, class attendance is mandatory for exchange students. Absences and leaving early is not allowed during the exchange period, and sick leave must be justified by a medical certificate in order to be excused. In certain cases, students may be refused permission to sit their final exams due to absences. Attendance in classes is vital as it is not only in the best interests of the student to attend classes regularly, but it also guarantees that groups function properly.

## IS MY SCHEDULE DEFINITE?

Your timetable is flexible and could be subject to modifications, so we advise you to check it on a daily basis. Please note that **you are expected to stay until the last day of the semester.**

---

## WHAT IS THE GRADING SYSTEM USED?

Scale from 0 to 20. 10 is a passing grade = you obtain credits. Below 10 is a fail = no credits awarded.
