

How to register to access databases and ebooks?

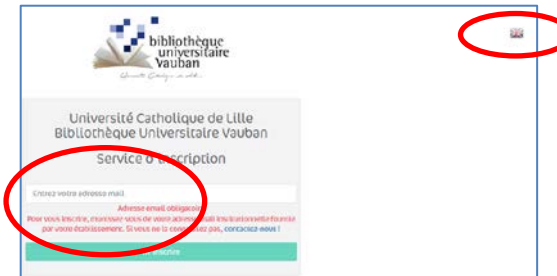

<https://my.edhec.edu>

- Move your mouse over the image called **Electronic resources** and click on **Create login**

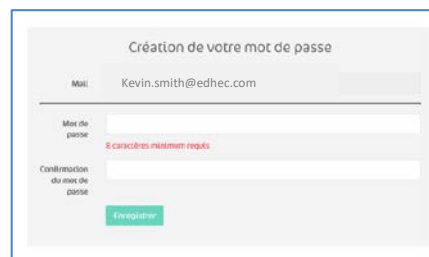

- select the English flag
[Enter](#) your school email address, press *register*

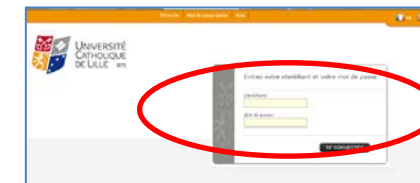

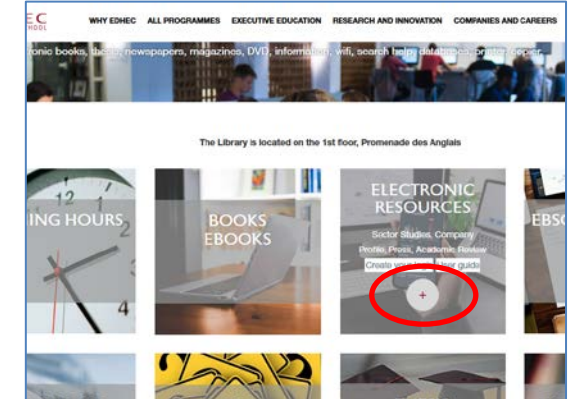

- Fill out the form

- Check your school email box and paste the link in your browser to create your own password

- Click to access one of the [listed databases](#) and login

The same login is required to read **ebooks** through our online book's reference catalogue.

On **My EDHEC > Library**
