

## THE GRADING SYSTEM USED AT EDHEC BBA

The French grading system is based on values from 0 to 20. At EDHEC BBA, 10 is considered passing and below 10 is generally a non-credited course. Faculty generally grade the majority of students within the 12,00-13,50 range and are asked to respect a standard deviation of no more than 2 to 3 in most classes. The European guidelines for grade distribution are provided as a framework in which faculty organize their assessments and grading policies :
